Annual Dinner For Eagles Auxiliary

Eagles Auxiliary, 1126, met Tuesday evening at 6:30 for the annual Christmas dinner which preceded the annual meeting.

Twenty members were seated at holiday-decorated tables in the downstairs club rooms while cards were played by the pianist, Mrs. Dorothy Schreiber.

The host, Hubert Heinrich, also was accompanied by Mrs. Westbrook as he sang "Silent Night," in German.

The program which followed was held in the lounge room under the direction of Mrs. Juanita Blevins, president.

The center of interest was the brightly lit and decorated Christmas tree around which were tables holding the toys the members brought for Salvation Army distribution and gifts to be taken to the Madison Nursing Home in Edwardsburg.

The party there will be held Dec. 19 with Mrs. Florida Batson and Mrs. Schreiber as co-chairs.

Final plans were made for the entertainment and party for the children Sunday when the youngsters will enjoy tricks of magic, cards and games by the Kitchen Band following a visit from Santa Claus with treats of candy, nuts and fruit. Mrs. Katherine Clark, Madison Nursing Home chairman, also announced plans for a party at the home Dec. 20.

At 9 a.m. Dec. 20 the Auxiliary members will converge on the Salvation Army headquarters to assist in packing baskets for Christmas distribution, the chairman, Mrs. Vern Hornsby, has announced.

At Tuesday's meeting the Auxiliary paid honor to Mrs. Blevins, president, Mrs. Frances Stein, a past state president, and Mrs. Frances Johnson, former Auxiliary "mother," who were escorted to the altar and presented with Christmas gifts from the auxiliary.

Mrs. Fie Hill was winner of the special prize for the evening and after adjournment the members were entertained at a noon session of the Kitchen Band with Mrs. Ruby Sparks at the piano.

Mrs. Hattie and Mrs. Mae Arnold, who are co-chairs of the kitchen at the party and Mrs. Theresa Daigler and Mrs. Norma Hemken were in charge of the dining room.

The hostess had her home decorated in a Christmas theme, and all the members brought hand-decorated candles to add to the setting. Games were played, and each guest was presented with a candy-filled Santa and chimney favor.

Mrs. Depp introduced the day's two guests, Mrs. Louise and Mr. Ed Pfeifer, of Calif., and Mrs. Arctic Ronne. Other members attending the annual party were Mrs. Millie Moss, Mrs. Pat Polley, Mrs. Mary Cochran, Mrs. Marge Morris, Mrs. Mary Miller, Mrs. Dorothy Smith and daughter, Sandra, Mrs. Elizabeth LaVelle, Mrs. Beulah Miller, Mrs. Markham and Mrs. Ida Hunsicker.

Cities Should Seek Supreme Court Tax Rule Ruling, Ready For Referendum

Though a favorable tax rate opinion is expected from State's Attorney Mudge, two steps need to be carried out promptly by cities whose existing rates are in question. An early opinion should be sought from the Illinois Supreme Court when it reconvenes Jan. 8, and preliminary plans should be made for a referendum prior to next spring's tax collection.

The county ruling will enable rates to be extended at the same level in 1962 as in 1961, but the rate issue cannot really be settled without a decision by the high court or by a referendum. Since work on tax books will begin in the late winter, immediate thought should be given toward obtaining supreme court action by this spring.

If the county rules against present rates, cities will have to have a hearing in readiness for an election before the new rates are extended. Then voters could choose between reducing municipal services by varying degrees up to 45%, as in the case of Granite City; compelling cities to go into debt; or authorizing present rates to continue.

It is, of course, totally unrealistic for any city to attempt to operate on only one-half of its normal income. Nevertheless, the outlook so uncertain, it behoves all city officials to exercise strict economy measures.

Start Being Made Toward Analyzing Purity Of Air

With two studies planned, a start is being made toward thoroughly analyzing the air Quad-Citians breathe. Between them, they should show what contamination there is, if any, and what can be done to end it.

While tests by the city of Granite City will be limited to determining the hydrogen sulfide content only, a more independent firm, employed by Granite City Steel Co., will be more comprehensive. The conclusion should be useful to both the plant and the community.

SEVENTH ANNIVERSARY OF CHURCH OBSERVED

The seventh anniversary of the St. Gregory the Great church was celebrated Sunday at the A.R.F. club, 821 Niedringhaus avenue. Guests of honor at the celebration was Mrs. Maryam Kachigian, mother of Racine Wiss, who participated in the services Sunday morning. After church a dinner was served, consisting of American food.

Rev. Gooren Shukjian introduced a program which included Armenian songs by Mrs. Agnes Agopian, Mrs. Marguerite Shabot and Mrs. Amrik Kachigian. Poems were recited by some of the school children. Michael Hagopian, Edward Asadian, Arash Asadian and Nima Darakjian.

Rourkar Shukjian made a public announcement that the St. Gregory and Marguerite, a new organization for young married couples.

Talks on the growth of the church were given by a trustee, Arash Asadian, Auxiliary, Mrs. Nuwart Hagopian; and a member of the Armenian board of education, Mrs. Margie Tatosian. After the talk by Rev. Gooren Shukjian, he sang an Armenian folk song.

The closing speech was by Rev. Gooren Shukjian, and a donation was made of \$700 by the church's Auxiliary.

Mrs. Elizabeth Bedian of Olive street has returned from a month's vacation in the east. She visited her daughter and son-in-law, who live in New Jersey.

No Word From Girl, 14, Missing Since Nov. 28

Mrs. Martha Bradburn, 2160 Bern street, reported to county authorities on Tuesday that her 14-year-old daughter, who disappeared Nov. 28 from Coolidge junior high school, had been found.

The girl, 14, was wearing a black coat, black shoes, a blue dress and was carrying a large black satchel. She was five feet, 113 pounds and has tinted black hair. The mother was unable to give any indication as to where her daughter might have gone.

Wrong Street Address

Fred P. Prengel, 511, resides at 1713 Venice avenue and not 811 (rear) Lee Avenue, Madison, as stated in Monday's issue.

Until the Civil War, peanut growers and eaters in Madison, Ill., States was confined to a small area of eastern Virginia.

Madison-Venice School Cooperation Suggests Another Step—Merger Of The Two Districts

Past cooperation between Madison and Venice schools has been commendable; an even closer relationship now seems probable through a joint program for handicapped students. This development brings to mind a belief the Press-Record has had for 35 years—that merger could lead to distinct advantages for both the citizens and school children.

The two school systems have shared the same township trustees and treasurer, and the school boards regularly take part in joint holiday parades and services. With a combined population of well over 12,000, the cities of Madison and Venice already are joined in a single township, and the cities have taken joint action on street and drainage improvements. The pattern for combined action is well established.

Consolidation would correct a serious imbalance in resources. With \$34 million assessed valuation and 2850 pupils, Madison schools have a tax base of less than \$12,000 a child; the Venice district has \$38 million in taxable property for 880 youngsters, an average of \$44,000. Together, they would have a base of nearly \$42,000 each for all 3700 students.

If merger would serve to be in the best interest of all, especially the children, it merits serious consideration by the officials and residents of the two school districts. Benefits would be certain to include sounder finances; other gains might be more economical operation and an opportunity to broaden the present curriculum.

Growth Of Square Dance Program Bringing National Acclaim

"Do si do and aleman left."

Square dance parlance may be strange to some people, but it is becoming more familiar here through a Granite City park district program and activities of a Madison parents' group. Instruction has reached such a level that the director, Edward Boyd, claims the title of "Junior Square Dance Captain" for the Quad-Cities.

The achievement record is well deserved; it owes its start and growth to voluntary sacrifices of time and effort by many adults. The community wishes them well in their endeavor to expand the program by purchasing permanent square dance headquarters in their "capital city."

Big Turnout Shows Warm Public Regard For Christmas Art Show

Attendance by 1500 persons at the Christmas art show held at Granite City high school, is ample evidence of the yearly demonstration of gift wrapping and display of hundreds of holiday decorating ideas.

Conducted by Art Director Eugene Aiassi and other faculty members, the program has found a warm spot in the hearts of local residents who are glad that its financing has been bolstered, enabling abandonment plans to be discarded.

Successful living, which few of us acquire, depends upon simple things.

'Poor Relatives' Too Generous

Considering Granite City's lack of funds, it seems only fitting that "poor relatives" be picking up the tab for a dinner meeting on city tax rates. Since the topic was of equal importance to officials from other cities who attended, "Dutch treat" would have been a better policy than further depleting the city treasury.

No Break For Warriors; Face SWC Toughies, Belleville, East St. Louis

At a time when they perhaps need a break from a tough schedule in order to smooth out some of the difficulties which plagued them in the first three games of the season, the City's basketball Warriors will get hit with a broadside this weekend—in the form of two teams that are equally undefeated in the young Southwest conference play.

Andy Sullivan, the unhappy coach of the Happy Warriors, will be on the road to Belleville next weekend at 8:30 p.m., and again on Saturday evening, the 13th, with Earl McBeath's 12-0 Wood Riverers.

One of the pre-season favorites in the loop race, the Maroon team is the "deepest" club in the conference as far as returning lettermen are concerned. Coach Jerry Turner probably

will throw the following lineup at the Redmen here tomorrow: Barry Jackson (6-6) at the post, Dave Renn and Jerry Jowett (both 6-4) at the forward position; Hearne (5-9-5) and Roger Bechtold (5-11) at guards. Bechtold pumped in 21 points in the Maroons' latest win, last Saturday, at Cahokia, despite playing with a broken finger on his left hand.

Sullivan is undecided concerning his starters and probably will experiment early with other players. The Maroons' other starters will be on the short end height-wise in both games, especially since they will play without the services of 6-7 George Moore.

Moore underwent surgery here late last week for removal of a growth on his right knee which damaged his right leg. He is still an injury originally sustained in pre-season football practice and aggravated again early in the basketball season.

The only Flyer loss was to Madison, where Coach Earl Mc-

UF Directors
Refer Action
To Committee

The Tri-Cities Area United Fund board of directors voted Tuesday afternoon to accept the executive committee's recommendation to refer the question of agency allocations for 1962 to the admissions and distribution committee.

Mr. Hoenicka's meeting was a continuation of the 28 board meeting at which time the recommendation was made and tabled. The committee originally had recommended that the agency allocations be made in January with agency representatives. At that time, the findings were presented to the board.

It was announced just 20 that the total was the campaign goal.

John Solerberg, chairman of the distribution committee, will meet soon and is to report to the board of directors sometime in mid-January.

John Solerberg added that the financial statement shows the \$6000 estimate for shrinkage reserve for unpaid pledges will be adequate.

Christmas Donations
Made By Legion Post

Chairman of post members, John Hayes, reported that the Christmas party at the post home on Dec. 23, A New Year's Eve party is planned for adults.

The Legion's current drive for new and renewed memberships stands at 314. Charles Mizerak, senior vice-commander, said 400 additional memberships are needed in order to reach the goal established.

Two new members, Oliver Jackson and Mrs. W. Niles, accepted the organization's obligation and were introduced.

Members heard Louis Hayes, a representative of the employment office of the Nickel Plate and Washburn railroads, speak in opposition to a proposed merger of the lines and urged the Legion to oppose a resolution against the merger, which Hayes said would close the Nickel Plate yards in Madison. The railroad merger will not affect the railroads out of their home.

The post endorsed A. Burt Harter for fifth division senior vice-commander. Division officers will be elected early in 1962.

Madison Topples Columbia 77-42; Meets Lebanon Tonight At O'Fallon

Madison's unbeaten career games will play tomorrow at 8:30 p.m. It was cold outside last night and almost as cold inside for Madison in the first half. The Trojans shot .293 from the field and committed 41 turnovers, but still won by 35 points.

Lebanon drew a first-round bye. In the first contest tonight, host O'Fallon, also advancing on a bye, clashed with Cahokia, which dumped Mascoutah last night, 51-41.

If Madison and Cahokia should win tonight, the all-Midwest conference championship would be decided Saturday at 8:30 p.m. The losers of tonight's

ROAD TO LINK GCHS Gym Lot With Madison Ave.

Construction of a crushed stone roadway east of sycamore trees in front of the Granite City high school gymnasium building was authorized by the school board Tuesday night to ease traffic between the school and the parking lot northeast of the building to an outlet near the front of GCHS on Madison avenue.

Also approved was a short road to connect a concrete drive at the rear of GCHS with an unused T-shaped blacktop surface in the rear of the school. The area will be used for parking by teachers during the day and by persons attending evening events in the gymnasium.

Cost of excavation and application of stone was estimated at \$1300 for the road to Madison avenue and \$250 for the road leading to the blacktop.

Action was deferred on two other proposals—a \$300 connecting link between the Coddridge and the high school circle drive and the gymnasium, and a \$1000 reconstruction of the old Fehling road site to connect the gymnasium to the old Fehling road south of the football field. Gates would be used on the later road to prevent

Club Hears Partney

On Urban Renewal

Granite City will soon be surveyed to see if it qualifies for federal financial aid under the urban renewal program. City Council Plan Committee Chairman Donald Partney told Kiwanis club members Monday night.

Such factors as new school construction, the new fire station, and street and sidewalk improvements in its favor, the city could qualify for as many as three dollars federal aid to every one dollar provided by the city, Partney said.

Speaking at the club's regular monthly meeting, Partney said Granite City should take advantage of the financial help offered by the urban renewal legislation. The bill was introduced by the Eisenhower administration and broadened by the last Congress.

The commissioners viewed a 30-minute color movie, "The Re-Birth of a Nation," which showed how Terra Haute, Ind., made use of the urban renewal program. With such aid, federal government planning and long-term financial help, that city cleared much of its blighted area.

Most of the time and an hour session following Partney's talk was devoted to the sewage and drainage problem. The speaker said unlike the city, it's not a system or goes along with the East Side Levee and Sanitary District plan. The federal government may force the city to pay for the necessary systems.

PRIDE
Go slow when you try to force a man to eat his words—some would rather fight than eat.

BOY SCOUT COMMISSIONERS' Christmas party for this year included a novelty fashion show, with newspapers and crepe paper used to form the styles. Pictured (left to right) are Mrs. Floyd Pitchford, Floyd Pitchford, Mrs. John Slay, John Slay, Miss Kay Howton, Mrs. Ed Stone, Ed Stone and Major William Tucker. Forty-eight attended the event, held in Collinville for the entire Cahokia Mound Council. A Paris theme, smorgasbord supper and games were featured.

Christmas Mailing Peak Expected This Weekend

With the peak of the big Christmas mail rush just over the horizon, Postmasters Theodore Overbeck of Granite City, Harry R. Johnson of Madison and Walter Simmons of Venice said today that every postal employee is digging in harder than ever to get the delivery of all Christmas cards and packages before Christmas Day.

The postmasters urge that all Quad-Cityans make it a point to do it now, today, or a few hours from now, this critical time, mean disappointing your friends and loved ones on Christmas Day.

"Please, if you have Christmas cards in bundles, with addresses all facing one way, using labels you can mark 'All for local delivery' and 'All for out-of-town delivery.'

"Don't forget to put your name and address on all Christmas

card envelopes and packages."

Bying in with the National Im-

port Mail Service program, the postmasters urge Quad-Cityans to divide mailings into various groups, with those for most distant places going first, making it a point to mail early in the day.

The postmasters especially re-

quest local residents to get out-of-state packages into the post office as soon as possible, making it easier to get them delivered.

Fire Marshal To View Elderly Housing Plans

Approval of the state fire marshal will be sought late this week or early next week on detailed plans for construction of a 100-unit apartment housing project for the elderly. Granite City Housing Authority board members were told at their December meeting Tuesday night.

The plans will be taken to

Springfield by David Morgan, executive director of the authority, and the architectural firm of Henry Gabriel and Sylvester Dulgeroff.

Wives of the officials attended Tuesday's meeting, which included a year-end Christmas dinner held at the Rose Bowl.

Granite City PRESS-RECORD Page 32 Thurs., Dec. 14, 1961

TOYLAND 1961, Harris grade school's second and third grade Christmas program, will be presented Monday in the school lunch room from 7 till 8 p.m. under the direction of Mrs. Valerie Stevens, vocal music supervisor. Pictured here are 30 of the children who will participate in the special holiday program.

Salvation Army Gets 550 Christmas Aid Requests

With 550 Christmas basket applications received by the Salvation Army here, distribution is to begin Dec. 17. While other organizations will provide some of the baskets, most will be supplied from the "Tree of Lights" fund.

Each basket given will be designed for its recipients, larger families getting more food. New clothes will be provided for all children through 12 years of age in the families receiving "Tree of Lights" fund aid.

Teen-age applications are not being accepted, said Capt. Walker.

"In one family, the Salvation Army will continue to maintain a 'tree of lights' for the working families available for distribution by other organizations."

"We would be glad to supply names of needy and deserving families to those wishing to give baskets," said Capt. Walker.

Walter J. Salvant, Salvation Army commander, "and we'll maintain a list right up to the last minute."

Distribution Set

Baskets will be distributed Thursday and Friday, Dec. 21 and 22, from 1824 State street to those who have been notified of their aid. Also, those families with children will get tickets for toys, which will be distributed the same day from the upstairs Salvation Army space at 19th street and Grand avenue.

Who will receive the baskets? According to Mrs. Walker, who goes to the homes of people As an example, she mentioned a woman in the community who is supporting her three children. "She really is only a girl," Mrs. Walker said, "and she has asked for no public assistance. She has worked when

her health permitted it, and now she needs our help."

Another application came from a middle-aged couple with teen-aged children.

"They are just now working," Capt. Walker said, "but almost for nothing. Now one of the children needs hospitalization. They are working, but we are trying to keep them together."

Some Too Proud

These are not a typical of those who have applied for Christmas baskets, although many have been too proud to apply for themselves.

"In one family, the Salvation Army will continue to maintain a 'tree of lights' for the working families available for distribution by other organizations."

"We would be glad to supply names of needy and deserving families to those wishing to give baskets," said Capt. Walker.

The family did not ask for help, Mrs. Walker said, and was reluctant to accept it after they was referred to her by a friend.

About 400 of the applications received will be filled with contributions to the "Tree of Lights" fund.

Cleaning Center

Other organizations will provide baskets to be distributed through the Salvation Army's cleaning center, which is mainly used to prevent duplication and to insure that no needy and deserving families are overlooked.

Those have been directed to the local League and Professional Women's Club and the primary department of the Niedringhaus Methodist Church and others.

As an example, she mentioned a woman in the community who is supporting her three children. "She really is only a girl," Mrs. Walker said, "and she has asked for no public assistance. She has worked when

Harris Christmas Program Monday

Harris elementary school Principal Francis Dant has announced that the 400 second and third graders, in his school will participate in the Christmas program, under the direction of Mrs. Valerie Stevens, in the school lunch room from 7 till 8 p.m. Monday.

Dant said everyone and their grandmothers will participate in the special holiday program which will be open to the public.

Mrs. Stevens said that each second grade will sing a song and the third grade classes will present two selections. At the end of the program all students will sing Christmas carols.

The following numbers will be featured by the students: Little Drummer Boy, Jingle Bells, Rock-a-Bye Baby, The Chipmunk Song, Teddy Bears, Snow White, Cowboys, Dolls, Puppy Dogs and Christmas songs.

County Sales Tax Income \$14,427 For September

County Clerk Miss Eulalia Holtzman said this week by the state department of commerce that half-cent sales tax for September amounted to \$15,028, of which \$14,427 will go to the county with a deduction of 4% cost for administration.

Miss Holtzman said all of the sales tax money will be placed in the county general fund to cover operational expenses in case of reduced general tax income. Previously, the sales tax income was assigned to fund for improvements at the county jail and for the proposed construction of a detention home.

People for their help in this project," Capt. Walker said, "and we know those among us who will receive the benefits will share our gratitude."

A Christmas Shopper's Guide for the New Polaroid Electric Eye Cameras

The J66 — Costs about \$90.

Fully automatic, no focusing, nothing to set — the J66 is the simplest Land Camera ever, and it costs about the same as the first Land Camera model on the market. What do I do is aim the camera, press the shutter, and of course, you get a picture in just 10 seconds. No extras to buy, either. You don't need an expensive light meter. Even the flashgun is built right into the camera.

The 850 — Costs about \$140.

This is the most sensitive electric eye camera in the world of cameras! Its tiny micro-eye is capable of detecting light and shade and can speed even in a dimly lit living room. And with the Polaroid wink-light you can forget about the expense and bother of flashbulbs for all your indoor pictures. This is the deluxe Polaroid Electric Eye Camera.

18 From County At National FFO Meet

Eighteen members of the Madison county unit of the National Farmers Organization have returned from the meeting in Denver where they attended the National Farmers Convention.

More than 600 farmers from all over the states attended the session, the largest meeting in the organization's history. Election of officers was included in the business session, with Oren Lee selected as president, re-elected national president.

Speakers, in addition to Staley, included Secretary of Agriculture Orville Freeman, Dr. John T. Schleicher, professor of history at Iowa State University, and a number of others.

Staley told the NFO members their main concern should be one-third of the producers need to force processors to the bargaining table to negotiate selling prices for their products.

"Collective bargaining for agriculture is no longer a question of 'can it be done? but is now one of 'when will it be done?'"

Staley told the group the answer is "now" for the farmer.

Area Job Total Down; Further Drop Expected

Total November employment at 61 local firms surveyed by the Illinois State Employment Service was down 775 from the figure two months earlier, and is expected to drop by another 70 workers by the end of next January.

Two figures were released this week by Malcolm Thompson, manager of the Granite City office of the ISSES, for 24 manufacturing firms and 37 non-manufacturing firms. The estimate of 33,100 is to summarize net industry changes for use in establishing employment trends.

In the manufacturing firms 104 fewer workers were em-

ployed last month than in September, and the estimated January figure of 32,094 is to drop by another 70 workers by the end of next January.

Amidst figures in the non-manufacturing field, the number of workers hired was down from 3669 in September to 3591 last month. The estimated January figure of 3591 is to drop by another 70 workers by the end of next January.

Greatest loss of employment

Christmas At Tri-City
Park Tabernacle

The annual Christmas program of recitations and songs will be held at Tri-City Park Tabernacle, Dec. 20, at 7:30 p.m. All residents in the city will be invited to participate in the program this week.

There will be participating by the Rev. R. D. Shaw, pastor of the Christian Tabernacle, and total of 15,011 workers. Of these, 11,440 were in the various manufacturing industries and 3562 in non-manufacturing jobs.

Greatest increase over last year was in the durable goods manufacturing field, where employment jumped from 10,258 in November to 10,400 in December.

In the manufacture of non-durable goods, employment was down from 1195 to 1174 for the same dates.

There is a slight change as shown in the number of non-manufacturing jobs from November 1960 to last month, with totals of 3562 and 3591, respectively.

Most significant increase

was a jump from 302 to 375 in professional, educational and related services, while the number of non-government employees rose from 1153 to 1170.
